Pebble FEIS letter prep and meeting schedule Draft 062420.xlsx

Hi Beverly

Welcome to R10!

I want to share with you the project schedule for reviewing the FEIS and preparing the final letter. There are probably some names and acronyms to go over in our discussion- but some intro into the timeline and process we’ve scoped out between R10 and HQ, as well as key briefing dates.

Andrew and Rebecca,
Michelle asked me to connect with you regarding the Pebble Mine final EIS that is being issued and the approach on any EPA comments. Let’s find some time to discuss next week.
